

PEOPLESAFE ON YOUR SONIM XP3340 SENTINEL

Built for Life – The Peoplesafe Sonim XP3340 Sentinel Lone Worker Safety Solution provides users with the longest GPS tracking time of any mobile phone currently available.

Custom designed for vertical markets especially security guards, facilities management and manufacturing, the XP3340 Sentinel will keep remote workers safe while in isolated and hazardous environments. Combining the XP3340 with Peoplesafe's 24/7 monitoring centre will give employers peace of mind that their staff are being protected in even the harshest of working environments.

The Sonim XP3340 includes advanced and highly configurable man-down accelerometer technology. Configured over-the-air by Peoplesafe to match the end users specific work scenario the man-down sensor is capable of detecting impact, free-fall, prolonged tilt and no movement at various thresholds, it has been field proven to detect specific risk events whilst maintaining false alarms. With the industry's longest battery life of up to 29 hours of GPS tracking time, the XP3340 Sentinel easily supports 16 hour shifts with GPS and 5 hours of talk time.

MAIN FUNCTIONS OF THE SONIM XP3340 SENTINEL COMBINED WITH PEOPLESAFE SERVICES:

- ✓ RUGGEDISED PHONE
- ✓ DUST, WATER AND SHOCK PROOF
- ✓ 29 HOURS OF GPS TRACKING
- ✓ OVER 800 HOURS STANDBY
- ✓ MAN-DOWN ACCELEROMETER
- ✓ 3 YEAR COMPREHENSIVE WARRANTY
- ✓ 24/7/365 REMOTE MONITORING CENTRE
- ✓ BS8484 COMPIANT

RESISTANT TO WATER, SAND, DUST, MUD, SHOCKS, IMPACTS AND EXTREME TEMPERATURES!!

KEEPING YOU SAFE - SONIM XP3340 SENTINEL

No matter how harsh the situation, the Sonim XP3340 is the ultimate safety phone for lone workers in extreme environments. Fully water submersible (IP-68 rated), MIL-810G certified and equipped with high performance GPS, long battery life, a LED torch, a 2MP camera and a state-of-the-art "man-down" sensor based on a three-axis accelerometer - the Sonim XP3340 goes beyond extreme durability.

The Sonim XP3340 contains built-in software for lone worker protection and a "man-down" motion sensor that detects impact, tilt, free fall and no-movement.

Key safety functions include the dedicated red emergency button, operable even when the phone keypad is locked, that sends a GPS location and calls the Emergency Response Center. The amber and green buttons can be set up according to the customer's needs - for example the amber button may request monitoring and tracking and the green button may track the start and end of a shift.

Backed by Sonim's industry-leading 3-Year Comprehensive Warranty, the Sonim XP3340 will keep you safe and connected - no matter where you are.

TECHNICAL SPECIFICATIONS

- IP-68 certification
 - MIL-810G certification for salt, fog, humidity, transport shock, thermal shock
 - Hardened rubber molded to Fiberglass casing mix by dual injection
 - Rated to 2 meter drop onto concrete from any angle
 - Vibration protection from 5Hz to 500Hz and shock resistant up to 4G
 - Non-porous casing blocks entry of dust and micro-particles
 - Operational range -20°C to +55°C
 - Shock & scratch resistant 1.5mm thick Corning® Gorilla® Glass screen
 - Impact resistant up to 5J on housing and 2J of impact energy on screen
- Sonim Lone Worker application
 - Sophisticated man down sensor (3 axis accelerometer, configurable)
 - High GPS performance with faster position xes, high accuracy & sensitivity
 - A-GPS (SUPL support)
 - JAVA MIDP 2.0/CLDC 1.1 device
 - 2 MP camera with LED Flash
 - LED torch light
 - MicroSD card slot (up to 16 GB card)
- GSM quad-band (850, 900, 1800, 1900 MHz) / GPRS, EDGE class 12
 - Bluetooth 2.1 with DUN, OPP, SPP, HSP, HFP, PBAP
 - SMS, MMS (text, image, audio, video) - up to 3000 messages
 - PC Tools, for contact and calendar synchronisation with MS Office
 - Battery: 1750 mAh with 20 to 24 Hrs Talk Time, over 800 Hrs Standby Time
Lone Worker: up to 29 hours for GPS tracking

BOX CONTENT

- Phone
- Electrical wall charger
- Screwdriver
- USB cable
- Battery 1.750 mAh
- Belt clip
- 3.5mm USB adaptor

*OPTIONAL ACCESSORIES:
Car charger, stereo headset
and rugged belt clip*
