

# Introducing Team on the run on Sonim XP3 and XP5s devices

With Team on the run on Sonim's feature phones, all your communication needs are met in a simple and efficient manner.

Team on the run offers organizations an all-in-one communication solution and works seamlessly with Sonim's dedicated Push-to-Talk (PTT) side button. Manage your company contacts, start a group chat, and hop in and out seamlessly between PTT channels all on Sonim's ultra-rugged and reliable feature phones.

Sonim's feature phones provide users with a device built to meet the industry's toughest standards. Waterproof, drop proof, Military rated.

## Sonim XP3 and XP5S Features

- PTT, SOS and Volume buttons
- Enjoy all-day power with **Multi-shift Battery Life**
- Hear every word even in the noisiest places with **Extremely Loud & Clear Audio**
