

Smartphone functionality meets ultra-rugged design.

Introducing the Sonim XP10 on Verizon, **the network America relies on.**

Rugged design

Built to industry-leading Sonim Rugged Performance Standards (RPS) – including MIL-STD-810H and Non-Incendive Class I, II and III Div 2 ratings – the XP10 is designed to work as hard as you do, even in harsh environments.¹

Push-to-Talk

Instantly communicate with an oversized Push-to-Talk button that offers easier-than-ever access (Push to Talk services sold separately).

Expansive storage

Store more data, reliably with 6GB RAM and 128GB internal storage and 1TB external storage.²

Long lasting battery

5000mAh battery provides reliable power to run more applications and perform more functions for long work shifts and beyond without recharging.³

Large 5.5-inch screen

Access applications and tools more easily with a big screen that's intuitive and responsive to wet and gloved hands.

High performance speakers

Hear and be heard louder and clearer than ever before with new 100dB+ speakers with Goodix Echo and Noise Cancellation Technology.⁴

Get a Sonim XP10 for \$0.99.

Taxes & fees apply. New 2-yr agmt & \$34.99 or higher price plan. \$249 instant discount applied at point of sale. Can be combined with select offers. Sonim XP10 price after discount: \$99. Offer available 7.20 through 9.30.2023.

1. Based on SGS lab testing & certification. The MIL-STD-810H testing includes drop testing onto concrete with the device on its face, corners and edges a total of 26 times each. These devices meet and/or exceed specification (MIL-STD-810H) testing against a subset of 13 specific environmental conditions, including temperature/humidity, dust, shock/drop/vibration, water and solar radiation. Real world usage varies from the specific environmental conditions used in MIL-STD-810H testing.

2. External storage SD card not included. Must be purchased separately.

3. Use only a Sonim XP9900 certified battery. (BAT-05000-1S) is designed for this phone model. The use of other batteries may cause permanent damage to your device, thus voiding the warranty. It is recommended to protect the battery from extreme temperature environments and moisture. Please keep the battery out of the reach of children.

4. To prevent possible hearing damage, please do not listen at high volume levels for long periods of time.

Activation/upgrade fee per line: Up to \$35. IMPORTANT CUSTOMER INFORMATION: Subject to business agmt, calling plan & credit approval. CA: Sales tax based on full device price. Add'l CA eWaste fee may apply to laptop and/or tablet purchases. NV: Sales tax based on higher of device price or VZ's cost. Up to \$650 early termination fee.
